

# A & J Tool & Findings Co., Inc.

There is a 5 lb. minimum on each size jumprings ordered. There is a 10 lb. minimum for special orders or orders over 1/2".

On round jumprings, the first number is the spit size (inside diameter), and the second number is the wire size.

On oval jumprings, the first two numbers are the spit sizes, and the third measurement is the wire size.

When ordering jumprings, specify the inside diameter (I.D.), followed by the gauge of wire.

## ROUND JUMPRINGS - Spit Sizes

## OVAL JUMPRINGS - Spit Sizes
